Experience

Awards Production Manager Dec 2020 - Dec 2021
1854 Media / *British Journal of Photography*

I managed the international awards programme from ideation to delivery. Working with the Marketing Director, we developed campaigns and strategies to engage international audiences. I sourced global partners from galleries, publishers and festivals creating sponsorship decks whilst managing professional relationships alongside producing, budgeting for and curating all exhibitions and magazine events and event reports.

Project and Partnerships Manager Feb 2019 - Dec 2020
1854 Media / *British Journal of Photography*

I managed the delivery of 7 concurrent projects, organising the workload of a five-strong team for the production of digital and physical exhibitions. Managing freelancers, I oversaw the design and implementation of global productions including 7 photo books, liaising and sourcing imagery from up to 1400 artists. I ensured everything was kept on time and on budget.

Partnerships and Project Officer May 2018 - Feb 2019
1854 Media / *British Journal of Photography*

I was the main point of contact for photographers. I managed press and PR alongside organising events for up to 1000 people. I optimised and updated the company's archive and set internal processes/workflows for the team. I also managed all 1854 Media award websites, using WordPress and CSS, including design, writing and auditing copy.

Special Events Intern Feb - May 2018
Action Against Hunger

I assisted in the creative planning and organisation of fundraising events for up to 3000 people. I sourced auction prizes worth a total of £50,000 through research and communication with potential donors and partners, including writing sponsorship proposals and managing large databases (Raiser's Edge).

Project Coordinator Apr - Jul 2017
West End Studios

I was a key member of a cross-functional production team for international events. I was the point of communication for media, stakeholders and artists, via face-to-face, email and phone, and wrote creative scripts, digital and print communications to clients' briefs.

Photographic Assistant and Researcher Jun 2016 & Apr 2017
University of South Wales

I researched specific historical topics to provide context to visual imagery. I organised travel and accommodation logistics in both the US and China. Using social media, I found locations and individuals to support the artist's project.
